

Elders Video Class Series Discussion Guide #3

October 9, 2022

Randy Harris

Spiritual maturity fitting an elder is described as:

1. Deep compassion that grows from humility
2. Wisdom that is anchored in persistent prayer
3. Health (soundness) that is grounded in immersion in scripture

Questions for Reflection and Discussion:

1. What would you add to this list (above)?
2. Think about someone who has been a spiritual guide to you.
What was it about them that allowed you to entrust your spiritual well-being to their care?
3. As you consider about your own life, what are the ways or areas that God is calling you to grow in as you deepen in maturity?
4. One of the points of these lessons is to prayerfully consider who the next elders at Highland should be. How are you doing in your discernment and how might you need assistance?
