

Moses and the Plagues - Exodus 6-10

I wonder...

- I wonder what Moses was thinking and feeling when he stood before Pharaoh the first time?
- I wonder if Moses was worried or afraid.?
- I wonder how Moses felt when Pharaoh kept telling him "I will not let your people go!"?
- I wonder how Moses felt as he called each plague down on Egypt?
- I wonder why Pharaoh was so stubborn?
- I wonder what God's people were thinking as they watched the Egyptians deal with all the plagues?
- I wonder what God's people were feeling when the firstborn of the Egyptians died by death passed over the people of God?
- I wonder how God's people felt when Pharaoh told them to leave Egypt quickly?
- I wonder what you think is the most important part of this story?
- I wonder why this story is important for us to know?
